Noble Announces Non-Brokered Private Placement

TORONTO, November 10, 2025 – Noble Mineral Exploration Inc. ("Noble" or the "Company") (TSXV: NOB) (OTCQB: NLPXF) is pleased to announce that it is undertaking a non-brokered private placement (the **"Private Placement"**) on a best efforts basis, involving the issuance of up to 18,000,000 flow-through common share units (**"FT Units"**) at a price of \$0.06 per unit, subject to an increase of up to 25% at the discretion of Noble should investor interest warrant doing so. The gross proceeds to be raised are up to \$1,080,000 (before fees and expenses), subject to increase as noted. Each FT Unit will be comprised of one common share to be issued as a "flow-through share" and one-half non-flow-through common share purchase warrant, each full warrant will be exercisable for two years for one common share in the capital of the Company at an exercise price of \$0.10 per common share.

The Company may pay compensation to brokers providing assistance with the private placement, which could consist of a cash commission of up to 7% of the amount raised through the brokers' assistance and/or broker warrants exercisable for up to 7% of the number of FT Units placed (the **"Broker Warrants"**). Each Broker Warrant would be exercisable for two years for one common share of the Company at an exercise price of \$0.06 per share.

The securities to be issued in this Private Placement are subject to a four month hold period.

The Private Placement is subject to customary closing conditions, including the approval of the TSX Venture Exchange. Noble intends to use the proceeds raised through the Private Placement to fund exploration expenditures on the Company's properties.
